Mr. William J. Lyall  
Director of Finance  
Weigel Broadcasting Co.  
26 North Halsted  
Chicago, IL 60661

RE: WDJT-TV (Milwaukee, WI)

Dear Mr. Lyall:

Replying to your letter of July 28, 2008, we have noted our records to reflect WDJT's switch from the Blanket License to the Per Program License effective May 01, 2008.

There is no provision in Local Station Blanket Television License that permits a station to switch from the Blanket License to the Per Program License retroactively. Quite to the contrary, Paragraph 12 of the Local Station Blanket Television License expressly provides that a station may switch to the Per Program License "**prospectively on thirty (30) days' written notice**". Mr. Shapiro's letter dated March 26, 2008 (copy enclosed) constitutes the requisite notice under Paragraph 12 of the Blanket License, making May 1, 2008 the effective date of WDJT-TV's switch to the Per Program License. Accordingly, you should immediately submit a payment in the amount of \$83,149.71, representing the balance due of all previously posted blanket license fees and finance charges for the period ending April 30, 2008. Failure to do so will leave ASCAP no choice but to refer the matter to our attorneys to collect the fees owed.

Enclosed please find two (2) copies of the Local Station Per Program Television License Agreement for the term commencing May 1, 2008. Please sign both copies of the License Agreement, and return them to my attention. The License Agreements will be executed, and a countersigned Agreement will be returned to you for your files. If you have any questions about your new Per Program License, please do not hesitate to contact me.

Sincerely,

Ray Schwind
